SOCIAL STUDIES WORLD HISTORY A/B AP WORLD HISTORY A/B	AP World History: Completed and returned Advanced Placement Agreement

ADVANCED PLACEMENT AGREEMENT

AP World History (core course), AP Computer Science (elective course),

I understand that my child is enrolling in an advanced placement course(s). We have carefully considered this decision at home and understand that Advanced Placement courses require that students be self-motivated, mature, and have a desire to learn about the subject matter. We are also aware that it requires students to read the textbook at home, while taking notes or completing materials provided by the teacher. It is important for Advanced Placement students to keep up with their assigned reading at home and seek out help from the teacher if they are struggling. I understand this course is a full year commitment and there is a formal process for withdrawal. Summer work may be required.

District Test Out

Students must follow course sequence progressions, or a Test Out is required. See the LCS Course Catalog for more information. Testing will be held on March 17, 2024 at Lapeer High School. Registration forms are available in your school Counseling Office. Completed Test Out forms are due to your current school Counseling Office by March 7, 2024.

ELECTIVE COURSES

All bolded courses have requirements – previous class proficiency/credit or an application (see LCS Course Catalog for prerequisites and course descriptions).
